Member Services Business Directory

From A to Z!

Inside you will find a list of businesses and services that are offered by those who attend the Avon Lake United Church of Christ. It is our hope that as our congregation grows, so does this directory! If you'd like to add a business or service to the list, please see C.J. Jasany (440-949-7556) or leave your information at the Welcome Center. We plan on making updates as needed. We hope you find what you're looking for!
