

2021 SUMMER CAMP STEP-BY-STEP REGISTRATION

This form is designed to guide you step-by-step in the registration of your children for summer camp 2021. Do not skip a step. Go in this order we have recommended and you will find smooth sailing. Go rogue....and well....good luck.

1. The first step in registering for summer camp 2021 is to visit the Heartland Conference U.C.C. Outdoor Ministries website: www.heartlandconference.org/outdoor-ministries. In the past year the camps have switched registration software. This is requiring everyone to create a new profile or you may choose to register as a guest. If you have multiple people registering or think/know they will like camp, I would recommend creating a profile. You may not save a registration and come back to it later. You will be asked for emergency contact information and medical information for your child as part of the registration process. Please gather this before you begin. ONLY a custodial parent/guardian can register minor children for camp – not grandparents or others. Adults should also only register themselves. A parent registering their child for grandparents camp should not register their parent (the grandparent) as well. If you have questions about this please contact our Executive Director, Jill Frey at jill@heartlanducc.org.

2. You will be asked to pay a \$75 deposit to complete your registration. If you need assistance with your deposit, please email nate@avonlakeucc.org. Once you have completed this registration form entirely, proceed to the next step.

3. Proceed to <https://avonlakeucc.breezechms.com/form/summercamp2021> and complete this form entirely. This form does not register you officially for summer camp. This form is used internally at Avon Lake U.C.C. to track everyone that is going to camp this summer. Please fill out this form for each individual camper.

4. Recognizing the advantages of the summer camp experience, the Faith Formation Team sponsors a summer camp incentive fund. This camp incentive will contribute a portion of each member's CAMP expenses, as follows:

- 50% of the cost of the camp that you register for. Price varies for each individual camp.
- for church members only (grandchildren that do not attend church here are not included.)

5. You will get an invoice from the Heartland Conference before camp showing the remaining balance you have. If you choose to use the camp incentive fund, please note we will pay your portion by May 15th. All balances must be paid in full by May 15th. If you register after May 15th, you will have to pay the entire cost when you register.

6. That IS IT. Pack your bags & get ready for a week you will not forget!
